# How Do I Support My Child @ Home

- \* Take an interest in their Digital Footprint.
- \* Make sure they have access to resources at home: The PS1 1 Website, G4E Suite, BrainPOP, Keyboarding (WOA), Scratch, etc.
- \* Put limits on plugged in hours.
- \* Create something together using technology.
- \* Follow the @PS1 1Tech twitter account and remind them to ask to post in Mr. Fier's class.

GREAT PLACE TO HAVE YOUR  
CHILD DO FREE / SAFE CODING
